

I'm not a robot!

- Directions:** In the space provided, write the letter of the choice that best completes the statement or answers the question. (3 points each)
1. A cut caused by a razor blade is called
    - a. an abrasion.
    - b. a laceration.
    - c. a puncture.
    - d. an avulsion.
  2. The first link in the chain of survival is
    - a. begin CPR.
    - b. begin defibrillation.
    - c. phone 911.
    - d. going to the hospital.
  3. Which is part of the correct treatment of a nosebleed?
    - a. Apply pressure to the bleeding nostril.
    - b. Tilt the head back to slow the flow of blood.
    - c. If the person is still bleeding after 15 minutes, seek professional help.
    - d. Encourage the person to breathe through the nose.
  4. Universal precautions include
    - a. wearing protective gloves.
    - b. not moving a victim if possible.
    - c. learning to give CPR.
    - d. checking the victim's pulse.
  5. If someone is bitten by a poisonous snake, you should
    - a. elevate the bitten area.
    - b. apply heat to the bite.
    - c. apply ice to the bite.
    - d. have the victim lie down.
  6. What do adult and infant CPR have in common?
    - a. the amount of force used for chest compressions
    - b. the positioning of the head before beginning rescue breathing
    - c. the length of the breaths given
    - d. the length of time you should wait between breaths
  7. If someone faints, you should
    - a. call 911.
    - b. splash water on the person's face.
    - c. lay the person down and elevate the legs.
    - d. sit the person up and place his or her head between the knees.
  8. Which of the following is an accurate statement about poisoning?
    - a. Poison on the skin should not be flushed with water, because that will spread the poison.
    - b. Most poisonings can be treated without professional help.
    - c. If someone swallows poison, you should induce vomiting.
    - d. If poison gets in your eye, flush the eye with water and call 911.
  9. Resuscitation, skin that is pale, cool, and moist, and rapid breathing and pulse are all symptoms of
    - a. choking.
    - b. shock.
    - c. concussion.
    - d. unconsciousness.
  10. When all other methods fail to stop a victim's bleeding, you should
    - a. cover the wound above the level of the heart.
    - b. raise the wound above the level of the heart.
    - c. use pressure point bleeding control.
    - d. apply a roller bandage tightly enough to cut off circulation.

GLENCOE HEALTH • ASSESSMENT CHAPTER AND UNIT TESTS 109

## CHAPTER 11 Review

**After You Read** Use your Foldable to review what you have learned about family relationships and their effects on your physical, mental, emotional, and social health.

**FOLDABLES** Study Organizer

**EXPLORING HEALTH TERMS** Answer the following questions on a sheet of paper.

**Lesson 1** Match each definition with the correct term.

**Lesson 2** Fill in the blanks with the correct term.

**Lesson 3** Replace the underlined words with the correct term.

**Lesson 4** Match each definition with the correct term.

**Lesson 5** Recall the facts (use complete sentences to answer the following questions).

**Lesson 6** Match each definition with the correct term.

**Lesson 7** Replace the underlined words with the correct term.

**Lesson 8** Match each definition with the correct term.

**Lesson 9** Recall the facts (use complete sentences to answer the following questions).

**Lesson 10** Match each definition with the correct term.

**Lesson 11** Match each definition with the correct term.

**Lesson 12** Recall the facts (use complete sentences to answer the following questions).

**Lesson 13** Match each definition with the correct term.

**Lesson 14** Recall the facts (use complete sentences to answer the following questions).

**Lesson 15** Match each definition with the correct term.

**Lesson 16** Recall the facts (use complete sentences to answer the following questions).

**Lesson 17** Match each definition with the correct term.

**Lesson 18** Recall the facts (use complete sentences to answer the following questions).

**Lesson 19** Match each definition with the correct term.

**Lesson 20** Recall the facts (use complete sentences to answer the following questions).

**Lesson 21** Match each definition with the correct term.

**Lesson 22** Recall the facts (use complete sentences to answer the following questions).

**Lesson 23** Match each definition with the correct term.

**Lesson 24** Recall the facts (use complete sentences to answer the following questions).

**Lesson 25** Match each definition with the correct term.

**Lesson 26** Recall the facts (use complete sentences to answer the following questions).

**Lesson 27** Match each definition with the correct term.

**Lesson 28** Recall the facts (use complete sentences to answer the following questions).

**Lesson 29** Match each definition with the correct term.

**Lesson 30** Recall the facts (use complete sentences to answer the following questions).

**Lesson 31** Match each definition with the correct term.

**Lesson 32** Recall the facts (use complete sentences to answer the following questions).

**Lesson 33** Match each definition with the correct term.

**Lesson 34** Recall the facts (use complete sentences to answer the following questions).

**Lesson 35** Match each definition with the correct term.

**Lesson 36** Recall the facts (use complete sentences to answer the following questions).

**Lesson 37** Match each definition with the correct term.

**Lesson 38** Recall the facts (use complete sentences to answer the following questions).

**Lesson 39** Match each definition with the correct term.

**Lesson 40** Recall the facts (use complete sentences to answer the following questions).

**Lesson 41** Match each definition with the correct term.

**Lesson 42** Recall the facts (use complete sentences to answer the following questions).

**Lesson 43** Match each definition with the correct term.

**Lesson 44** Recall the facts (use complete sentences to answer the following questions).

**Lesson 45** Match each definition with the correct term.

**Lesson 46** Recall the facts (use complete sentences to answer the following questions).

**Lesson 47** Match each definition with the correct term.

**Lesson 48** Recall the facts (use complete sentences to answer the following questions).

**Lesson 49** Match each definition with the correct term.

**Lesson 50** Recall the facts (use complete sentences to answer the following questions).

**Lesson 51** Match each definition with the correct term.

**Lesson 52** Recall the facts (use complete sentences to answer the following questions).

**Lesson 53** Match each definition with the correct term.

**Lesson 54** Recall the facts (use complete sentences to answer the following questions).

**Lesson 55** Match each definition with the correct term.

**Lesson 56** Recall the facts (use complete sentences to answer the following questions).

**Lesson 57** Match each definition with the correct term.

**Lesson 58** Recall the facts (use complete sentences to answer the following questions).

**Lesson 59** Match each definition with the correct term.

**Lesson 60** Recall the facts (use complete sentences to answer the following questions).

**Lesson 61** Match each definition with the correct term.

**Lesson 62** Recall the facts (use complete sentences to answer the following questions).

**Lesson 63** Match each definition with the correct term.

**Lesson 64** Recall the facts (use complete sentences to answer the following questions).

**Lesson 65** Match each definition with the correct term.

**Lesson 66** Recall the facts (use complete sentences to answer the following questions).

**Lesson 67** Match each definition with the correct term.

**Lesson 68** Recall the facts (use complete sentences to answer the following questions).

**Lesson 69** Match each definition with the correct term.

**Lesson 70** Recall the facts (use complete sentences to answer the following questions).

**Lesson 71** Match each definition with the correct term.

**Lesson 72** Recall the facts (use complete sentences to answer the following questions).

**Lesson 73** Match each definition with the correct term.

**Lesson 74** Recall the facts (use complete sentences to answer the following questions).

**Lesson 75** Match each definition with the correct term.

**Lesson 76** Recall the facts (use complete sentences to answer the following questions).

**Lesson 77** Match each definition with the correct term.

**Lesson 78** Recall the facts (use complete sentences to answer the following questions).

**Lesson 79** Match each definition with the correct term.

**Lesson 80** Recall the facts (use complete sentences to answer the following questions).

**Lesson 81** Match each definition with the correct term.

**Lesson 82** Recall the facts (use complete sentences to answer the following questions).

**Lesson 83** Match each definition with the correct term.

**Lesson 84** Recall the facts (use complete sentences to answer the following questions).

**Lesson 85** Match each definition with the correct term.

**Lesson 86** Recall the facts (use complete sentences to answer the following questions).

**Lesson 87** Match each definition with the correct term.

**Lesson 88** Recall the facts (use complete sentences to answer the following questions).

**Lesson 89** Match each definition with the correct term.

**Lesson 90** Recall the facts (use complete sentences to answer the following questions).

**Lesson 91** Match each definition with the correct term.

**Lesson 92** Recall the facts (use complete sentences to answer the following questions).

**Lesson 93** Match each definition with the correct term.

**Lesson 94** Recall the facts (use complete sentences to answer the following questions).

**Lesson 95** Match each definition with the correct term.

**Lesson 96** Recall the facts (use complete sentences to answer the following questions).

**Lesson 97** Match each definition with the correct term.

**Lesson 98** Recall the facts (use complete sentences to answer the following questions).

**Lesson 99** Match each definition with the correct term.

**Lesson 100** Recall the facts (use complete sentences to answer the following questions).

**Lesson 101** Match each definition with the correct term.

**Lesson 102** Recall the facts (use complete sentences to answer the following questions).

**Lesson 103** Match each definition with the correct term.

**Lesson 104** Recall the facts (use complete sentences to answer the following questions).

**Lesson 105** Match each definition with the correct term.

**Lesson 106** Recall the facts (use complete sentences to answer the following questions).

**Lesson 107** Match each definition with the correct term.

This research-based program focuses on the development and application of critical knowledge and skills during a crucial period in students' lives. Glencoe Health also emphasizes social and emotional skills while exploring up-to-date information and statistics on timely, relevant topics like: • COVID-19 Pandemic and other communicable diseases • MyPlate guidelines and nutritional updates • Alcohol and drug use (including opioid and heroin abuse) • Tobacco use, e-cigarettes, and vaping • Cyberbullying, privacy, and sexting • STD/STIs (including HIV/AIDS) • Content related to Boys' Learning and Social Development • An optional supplemental Human Sexuality module. Glencoe Health is accessible through print and digital materials, providing students and teachers the flexibility to teach in small class settings or traditional classroom modes. In addition to the Student and Teacher Editions, Glencoe Health also features numerous resources, including: • An accessible online version (also available in Spanish) • Pre-made assessments and create-your-own options that allow you to write your own questions or choose from dozens of pre-made questions for each lesson. All assessments can be assigned for students to complete online or to download and print. • CUS Glencoe Health Teacher Edition CUS Glencoe Health and Human Sexuality, Digital Teacher Center, 1-year subscription CUS Glencoe Health and Human Sexuality, Digital Teacher Center, 6-year subscription CUS Glencoe Health, Digital Teacher Center, 1-year subscription CUS Glencoe Health, Human Sexuality Teacher Edition CUS Glencoe Health and Human Sexuality, Digital Teacher Center, 1-year subscription CUS Glencoe Health and Human Sexuality, Digital Student Center, 6-year subscription CUS Glencoe Health, Human Sexuality Student Edition CUS Glencoe Health, Student Bundle, 1-year subscription CUS Glencoe Health and Human Sexuality, Student Bundle, 6-year subscription CUS Glencoe Health, Digital Student Center, 1-year subscription CUS Glencoe Health, Digital Student Center, 6-year subscription CUS Glencoe Health, Human Sexuality Student Edition CUS Glencoe Health, Student Bundle, 1-year subscription CUS Glencoe Health, Student Bundle, 6-year subscription Glencoe Health Human Sexuality Revised Digital Student Edition 2E, 1 year
