It is a silly question, and the answer may have changed over the years. Ray was influenced by Italian neo-realists, in particular De Sica in "The bicycle thief", which he said he launched him. In the 60s of the 90s, Ray's films were restored and restored to great acclamation, and retrospectives were held everywhere. And it is also useless to promote this film between people who respond only to graphic action, monocomic comedies, with soundtracks of vaseclating, the snake's Vafid melodrama on plane plans. Overwhelmed, I went three or four times that week. May 15, 2018. Recovered on May 8, 2018. The Falized Director sees her as her opportunity to create a masterpiece, helping a dying girl.
