About The Development of Children has long been acclaimed for its authoritative chronological exploration of how the lives of children are shaped by biological and cultural factors. In this thoroughly updated new edition, lead author Cynthia Lightfoot builds on the legacy of original authors Michael and Sheila Cole, offering a lively, engaging, and always accessible examination of child development as a process involving the whole child within multiple, mutually influencing contexts. He is a member of the American Academy of Arts and Sciences and the National Academies of Education (of the United States and Russia). Please check the free sample before buying.No Waiting Time, School as a Context for Development 13. 1. Social and Emotional Development during Adolescence Authors Cynthia Lightfoot is Professor and Head of Human Development and Family Studies at the Pennsylvania State University, Brandywine; Michael Cole is an all-University of California Professor of Psychology, Communication, and Human Development. Be the first. Her published works focus on the sociocultural contexts of child and adolescent development, most recently, on teen pregnancy. The Study of Human Development 2. Physical and Cognitive Development of Early Childhood 9. She is also a children's writer. Social and Emotional Development in Early Childhood 10. Biocultural Foundations 3. The Development of Children has long been acclaimed for its authoritative chronological exploration of how the lives of children are shaped by biological and cultural factors. In this thoroughly updated new edition, lead author Cynthia Lightfoot builds on the legacy of original authors Michael and Sheila Cole, offering a lively, engaging, and always accessible examination of child development as a process involving the whole child within multiple, mutually influencing contexts.
