- All additional certification documents indicated on the Required Documents list generated by the DDD Supports Program Provider Portal application workflow:
<http://www.state.nj.us/humanservices/ddd/programs/sppp.html>

Application packets are to be mailed (CANNOT BE FAXED) to:

Molina Medicaid Solutions Provider Enrollment Unit
P.O. Box 4804
Trenton NJ 08650-4804

Molina's Provider Enrollment Unit can be reached at 609-588-6036 if you have further questions.

DDD-SP-ACL 3-25-2013

Contents Application for a determination of financial eligibility for long term care facilities. Photo Courtesy: Amazon They come equipped with a 4-inch carbon fiber cone woofer featuring a rubber surround, a 3/4-inch silk dome and a typical in-room frequency response of 60Hz-20kHz, meaning they accurately reproduce sound from whatever source you're using. You may also apply online at www.compass.state.pa.us. Different designs and configurations work better for different events and spaces, so it's important to understand what makes a loudspeaker or PA system right for your particular needs before you make a selection. Check out the Bose L1 Compact With Carry Case. A favorite of tailgaters everywhere, this portable, Bluetooth-enabled speaker features an 8-inch woofer and a 3-inch tweeter that deliver crystal-clear, dynamic audio to your outdoor surroundings. But not all systems are created equally. This can go a long way towards preventing accidental damage, especially to slot and slider controls. The speakers are also equipped with carrying handles, rugged and durable housings, and both a USB flash drive and an SD memory card reader.Best for Home: Klipsch R-41M Powerful Detailed Bookshelf Home SpeakerEnjoy at-home entertainment in style when you connect your music or streaming devices to the Klipsch R-41M Powerful Detailed Bookshelf Home Speaker. You don't want to discover that a cable is incorrectly connected while your entire audience looks on. This can maximize their longevity and prevent damage. When packing up your cables, wrap them in a figure eight-shaped coil rather than around your elbow. Forget hauling speaker cables and stands around with you wherever you go — this innovative speaker is highly portable and sets up in a minute or less. And with a 68-21kHz frequency response, these speakers are the perfect choice for taking movies and music to the next level — without taking up too much space.Best for Inclement Weather: Polk Audio Atrium Speakers With All-Weather DurabilityNeed a speaker that isn't afraid of a little undesirable weather? If possible, visit and check out your venue ahead of time to make sure you have access to the correct type of power source if you're using a loudspeaker or PA system that needs plugging in.If you're always on the lookout for a great deal, you'll appreciate these amazingly affordable Dual Electronics LU43PB 3-Way High Performance Outdoor Indoor Speakers With Powerful Bass. Photo Courtesy: Amazon It even comes with a microphone, making it a dependable choice for anything from delivering speeches to staging a karaoke contest. Elevated on tripod-mount stands, these speakers can project sound over larger areas because they sit up higher. Check out the Pyle Wireless Portable PA Speaker System for use during these occasions. Photo Courtesy: Bose Its vertical shape projects sound across a wider area, and the speaker's spatial dispersion technology delivers incredible sound to both your audience and to band members sitting in front or to the side of the speaker. Photo Courtesy: Amazon The speakers in this set also boast two-way full-range audio projection, a built-in audio amplifier, microphone input and adjustable bass, making it the perfect PA speaker system for any large gathering. More Information Medical Assistance (Medicaid) Financial Eligibility Application for Long Term Care, Supports and Services (PA 600-L Form) Last Review and Update: Sep 28, 2018 Medical Assistance (Medicaid) Financial Eligibility Application for Long Term Care, Supports and Services (Spanish) Application for Payment of Medicare Premiums, Coinsurance, and Deductibles (Spanish) (Chinese) (Russian) (Vietnamese) (Arabic) (Cambodian) Photo Courtesy: PhotoAttractive/Getty Images Whether you're hosting a wedding or putting on a concert for friends, a great loudspeaker or public address (PA) system will help you deliver — and amplify — your message. The built-in swivel brackets allow for 120-degree rotation, making it easy to perfectly position them in your chosen location — or reposition them when they're already set up.Best Portable: Micca PB42X Powered Bookshelf SpeakersIf you're looking for a great pair of portable indoor speakers, try these Micca PB42X Powered Bookshelf Speakers With 4-inch Carbon Fiber Woofer and Silk Dome Tweeter. Designed with waterproof capabilities that meet or exceed military specifications, they'll fearlessly meet any challenge that the elements may bring and are ideal for events like weddings where you want to set up sound equipment — and not have to worry about it. It comes complete with an SD Card and USB reader, as well as six different audio functions that include talk and siren settings.Best for Large Outdoor Events: Pyle Wireless Portable PA Speaker SystemWith many services and events moving outside to meet COVID-19 lockdown distancing requirements, it's important to have a speaker system you can count on that functions well outdoors. MORE FROM CONSUMERSEARCH.COM That's why we've rounded up a collection of some of the best speakers for large venues, protests, outdoor meetings and other types of events. Always make sure that you test your equipment before the event starts. These indoor/outdoor 100-watt speakers weigh just 2.8 pounds, making them as portable as they are powerful. Make sure to keep all food and beverages away from your equipment at all times. Keep the following in mind when setting up, using and disassembling your speakers and their accessories: Photo Courtesy: Mike Harrington/Getty Images Make sure that the power is the last thing you turn on after setting up and the first thing you turn off before shutting down. In addition, the 4-inch woofers add even more depth to every sound. With 1/4-inch audio, 1/8-inch audio, RCA and XLR outputs and a peak handling power of 130 watts, it's a must-have for music professionals looking to take their talents on the road.Best for Rallies: Pyle Pro 50-Watt Bluetooth Megaphone Bullhorn With SirenIf you're one of the many Americans making their voices heard through the power of peaceful protest, it's important to have the right tool to amplify your message. The person who needs help to pay for nursing facility care, or someone acting on his behalf, may complete the form. When setting up speakers on a stage, place them in an arc-like configuration. Photo Courtesy: Amazon With a 1,200-yard range and Bluetooth-enabled technology that lets you stream audio from a mobile device, you'll be equipped with one of the same megaphones that the U.S. Armed Forces use. Engineered with a speed-lock design, their installation consists of simply clicking the speaker into place and aiming it in your desired direction to project sound where it needs to go.Best Value: ION Audio - Sport Tailgate Portable PA SpeakerIf you're searching for the best value for your dollar, then look no further than the ION Audio - Sport Tailgate Portable PA Speaker. Photo Courtesy: Amazon The speakers also boast weather-resistant ABS enclosures and UV protection, making them a solid choice for longer stints in outdoor settings, even if you'll be in the sun. Photo Courtesy: Brand Smart USA/brandsmartusa.com The Linear Travel Suspension aluminum tweeters work wonders when it comes to minimizing distortion and audio echo. This can help prevent unwanted noise and damage to your system. Many types of silver tape are made with a layer of electrically conductive aluminum that can increase interference or unwanted coupling between cables. This can help widen your sound dispersion and coverage area. Photo Courtesy: Amazon With 1-inch tweeters, 5.25-inch woofers and PowerPort bass venting, these little speakers deliver impressively powerful sound. In order to receive payment toward the cost of nursing facility care, a person must be both medically in need of care provided by a nursing care facility and financially eligible for Medical Assistance and payment toward the cost of care. Weighing in at just 4 pounds, they're a great choice for bookshelves, desks and speaker stands — anywhere you want to tuck your speakers away for hidden surround sound. And, it's customizable: During setup, you can arrange the tower components in several different ways to create a speaker that's the exact height you need. With each speaker in the set weighing in at just 7 pounds and measuring just 11 inches high for easy portability, these bookshelf-friendly devices produce high-frequency sound while reducing artificial reverb to provide clearer, higher-quality tunes. Try to avoid using silver-colored tape when securing your system. If OPTIONS determines that the person is medically eligible for nursing facility care, the county assistance office will determine if the client is financially eligible for payment toward the cost of care using information provided on the PA 600-L form. With up to 75 hours of battery life, built-in wheels and a telescoping handle, this Systems CorrectlyIf you're using a loudspeaker or PA system for the first time, these tips and tricks can help you learn to operate your equipment properly while getting the most out of its features. You'll appreciate these Polk Audio Atrium Speakers With All-Weather Durability. The Pyle Pro 50-Watt Bluetooth Megaphone Bullhorn With Siren is a great choice for indoor and outdoor rallies alike and for other gatherings like sporting events or pep rallies. At just 9.5 inches tall, 5.8 inches wide and 6.5 inches deep, they provide great sound without being overwhelmingly large.Best for Musicians and DJs: Bose L1 Compact With Carry CaseAre you a gig musician or DJ who's looking for a professional-quality speaker? The local Area Agency for Aging (AAA), through its OPTIONS program, completes an assessment to determine if the individual needs nursing facility care or if less comprehensive care, such as that in a personal care home or other community care arrangement, would meet the individuals needs.
