Our return policy allows you to make changes if something doesn't quite fit. However, there are some items that can't be returned or exchanged, such as fabrics, trims, and special orders. For other items like buttons and notions, you can exchange or return them for full store credit minus shipping fees. Just keep in mind that once an item is opened or used, it's no longer eligible for a refund. To initiate a return or exchange, the item must be in the same condition as when it was shipped - so if it arrived on a roll, it should be returned on a roll too. If you do need to make a claim, please contact our customer service team within 30 days of the original shipping date. We're available Monday through Friday from 9am-6pm EST and by phone or email. Our shipping policy is quite straightforward. We ship to all 50 states and US territories via USPS or UPS. If you're outside the United States, we'll use UPS i-Parcel for international deliveries. Please note that most orders are processed within 72 hours and take around 1-7 business days to arrive once they leave our facility. We also offer express shipping as an option at checkout, with expedited quotes calculated based on package size, weight, and destination. If you choose express shipping after 1:00 pm EST, your order will ship the following business day. Items not fitting in USPS Flat Rate boxes may incur extra shipping costs due to size, weight, or special handling. If this occurs, Mood Fabrics will contact you via email and/or phone to discuss arrangements. VIP Members enjoy free domestic shipping within the contiguous US, excluding Hawaii, Alaska, and other territories. Those outside the US can choose their country for specific pricing during checkout, but be aware that customs restrictions may apply. Some countries have restricted items; check UPS's prohibited or restricted commodities list for more information. International orders may take 3-9 extra business days to process due to customs clearance. Duties and taxes will be calculated at checkout and must be paid in advance. With UPS i-parcel DDP, duties and taxes are collected during checkout, eliminating additional fees upon delivery.
