EVA Flight Training Academy Minimum Qualifications Valid CFI qualification Valid Class II medical Instruction experiences in Part 141 pilot schools (preferred) Areas of Responsibility Provide safe and quality Flight and Ground Instruction according to FAA approved Part 141 Training Syllabus Ensure students maintain the required proficiency levels of flight skill and aviation knowledge while following Academy's Standard Operating Procedures Demand the highest level of professionalism of oneself, fellow instructors and student body Actively participate in the promotion of the Academy's safety culture and philosophy during daily flight training operations. Benefits Monthly 50 hours guaranteed salary Sign-on bonus Medical, life, dental, and vision insurance Housing allowance Up to 40 hours of paid personal leave and up to 72 hours of paid sick leave per calendar year 10 paid vacation days per calendar year 8 holidays and 2 floating holidays per calendar year Relocation incentive Company matching 401(k) after 1 full year of service Concessional travel on EVA flights Professional development training, such as CFII, MEI, and ATP training, to eligible employees. Instructor pilots that complete 3 years of service with EVA Flight Training Academy, have a minimum of 1,500 flight hours, and FAA ATP may be eligible for hiring as EVA Airways First Officers! Eligible Flight Instructors that are recommended by EVA Flight Training Academy may be hired as First Officers by EVA Airways. In order to provide top-quality flight training, Diamond DA40/DA42s with Garmin G1000 and DA20 were chosen as EVA Flight Training Academy's primary trainer. The Diamond DA40 The Diamond DA42 DA20 Our aircraft are equipped with state-of-the-art Garmin G1000 Integrated Flight Deck Systems. Launched in 2013, we are a subsidiary company of EVA Airways, a member of the Evergreen Group and one of the safest airlines in the world. We continue to construct more facilities on our 9.6-acre campus, including the instruction building, T-sheds, hangar, dormitory and café—all aimed at providing the most pleasant training environment for our students. We have trained hundreds of successful pilots for EVA Airways and will be providing training programs to other contracted airlines in the future. We aim to provide top-level and high-quality flight training to those who are interested in flying or are pursuing a career in aviation. In addition to our flight training programs, we celebrate the opening of our Diamond Aircraft Service Center in 2019, where you will find the most trustworthy Aircraft Maintenance Technicians and experience the most professional service. What We Do EVA FTA provides training primarily for EVA Air's Cadets. Instructor Pilots that complete a minimum 3-year contract with EVA Flight Training Academy have at least 1,500 flight hours will be eligible for hiring as EVA Airways First Officers. Currently recruiting Certified Flight Instructors. Our CFIs receive a guaranteed monthly salary as well as Medical, Life, Vision and Dental Insurance. Academy provides matching 401K and discounted airline travel on EVA Air. Apply to EVA Flight Training Academy Today! [Detailed introduction] Latest Products The EVA Flight Training Academy campus has been designed with 100% green construction concepts, meeting or exceeding local and federal environmental codes. Contemporary modern architecture and energy efficiency are the signature elements of the five main building structures: Training Center, Café Restaurant, Student Residence, Aircraft Hangar and T-Sheds. The facilities are all geared towards providing professional and pleasant working and learning environments. Large, open landscaped spaces including a Plaza will serve both as relaxation areas as well as a setting for holding community outreach activities. The future 4-store dormitory will offer a comfortable and private living environment with its 87 studios and 6 guest suites located right next to the campus. Students will experience modern amenities including a spacious café restaurant where daily meals will be served, a study library and discussion rooms. The design is aimed at making the students' life outside of training as enjoyable as the training itself! Main office of EVA Flight Training Academy. T-Sheds of EVA Flight Training Academy.
