Raja Peter Kamarudin, July 5, 2019, author Kits Sjan, Guan Eng, Anwar, Ezam, Azmins, Latif, Sajed Husin Ali, Johar Abdul 1998-1999. a year. Sik, Samy Vella, etc. All are corrupt. In fact, Anwar has six evidence of you who can send you to prison for a very long time. There is no pen that turn off Raja Peter Kamarudin. These Harapan Pocketan people should be very careful if they spit umno or umno drivers so that they do not allow them in the wind. Today said Dr. Mahathir Mohamad's main blog author Akbar Ali said, "There is no competition." This disease wisely infects Bersat. The president is smart (or rather the president is smart). It was that Mahathir brought the intelligence and is now imported to PPBM for obvious reasons: that means PPBM is a branch or a UMNO distributor (and DAP and all Chinese know it in Malaysia). Makhathira's main blog author said Akbar was spitting in the wind in his blog called "Skori MACC and Latheefa", said Akbar: The MACC should continue. The main actors consist of large wigs (almost all are politicians). MACC also needs to expand the support to the players. A lot of them. How far Akbars says? Something in the last nine years between 2009 and 2018? Has the last 15 years 2003 to 2018? What happened in the last 37 years from 1981 to 2018? According to Lima Keith Sian, Lima Guana, Anvara Ibrahima, Ezama Mojda Nura, Azmin Ali, Latif Koya, Sideid Husina Ali, Johari Abdul and many other reformists from 1998 to 1999 Makhathira, Mukhriz, Dais Sindine, Rafid Azingiz, Ling ., Ling, ling, ling, ling, ling. . Liong Sik, Samy Well, etc. They are all corrupt. In fact, Anwar has six evidence of you who can send you to prison for a very long time. Quoting Malaysia's most corrupt people in an article by Keith Sjan and Annam. Makhathir and Deimu van Haron van Hasan, published today in Free Malaysia magazine, says: "Politics forms a strange bed. People can, to some extent, attract common interests. We are not entirely sure which side is the ship and which side is the monster. Both sides are desperate: to survive and move on. It doesn't matter that they must conveniently marry. It doesn't matter that marriage really doesn't come up!Raja Petra Kamaruda was last updated in 2019 on July 5th According to another Siang, Guan Eng, Anwar, Ezamo, Azmin, Latheefa, Syedo Husin Ali, Johari Abdulo and many others 1998-1999. Reformists, Mahathir, Mukhriz, Daim, Rafidah, Lion Sik, Samy Vellu and others, are damaged. In fact, Anwar has six boxes of evidence against them that could send them to prison for a very long time. No Questions Raja Peter Kamarudo These Raiders have to be very careful when spitting on Umno or UMNO leaders to avoid the wind. Today, Tun's chief blogger Dr. Mohamad Syed Akbar Ali said, "No contest - UMN disease is infecting Bersat." In fact, this non-compete rule or umno culture was introduced when Mahathir was the president of UMN (more specifically, the president of the Umno bar association). This is something that Mahathir brought to Umno and now it has been imported into PPBM for obvious reasons: it means PPBM is an umno or broken branch (and DAP and all Malaysian Chinese know it). Mahathir's chief blogger Syed Akbar Ali spat to the wind in his blog "Congratulations to MACC and Latheef", Syed Akbar said: MACC must aim for more major players. The main actors are bigwigs (almost all of them are politicians). However, MACC must also charge sponsored players. There are many of them. What has Syed Akbar talked about in the past? Only in the last nine years between 2009 and 2018? Was it in the last 15 years between 2003 and 2018? What about the last 37 years between 1981 and 2018? According to Limo Kit Siang, Limo Guan Engo, Anwar Ibrahim, Ezamo Mohdo Nooro, Azmin Ali, Latheefa Koya, Syedo Husin AL, Johari Abdul and many others 1998-1999. Reformists, Mahathir, Mukhriz, Daim Zainuddin, Rafidah Aziz, Ling Lion Sik, Samy Vellu and others, are damaged. In fact, Anwar has six boxes of evidence against them that could send them to prison for a very long time. Another Siang and Anwar identified Mahathir and Daim as the most corrupt persons in Malaysia. An article by Wan Hassan published today in Free Malaysia reads: "Politics makes strange beds with friends, Common interests can bring people who have little in common together. We don't know exactly which side crashed and which monster. Both parties are hopeless: they must enter into a fake marriage to survive and move on. It doesn't matter that there isn't really a weddingBut from the reality of the hard necessity and situation. In fact, Van Haron can also speak of DAP and PPBM (or Siang and Maathir kit). Pakatan Harapan Umni University is worse than the Smart Pas alliance. Van Haron enters the wind like Sid Akbar. And this video proves it well. Van Haron also said: "Nick Abdul Aziz Nick Math lost the spirit of the rust battles after death. The managers have become worldwide in their approaches and demonstrated the principles of trade in political commitments. Now it is possible to agree on many things that were once considered sacred for rust. Continue to change the religious Fermis. When Pas Malay asks to focus on another world and not to be greedy for power and prosperity in this world, they call them extremist and Taliban supporters. Now let's condemn the AP because it is too secular. So what should the Pas are: the "Talibane" Pas or the Pas who are in balance between this and the other world? Low Pas Hot Tak Tak Betul. Pakatan Harapan Saja Yan Betl. Sembayan Kalam Salah. Minimal Arak Sampai Mabuk Pan Salah. Jadi Yang Mana Yang Betel? Dap Saja Betul Ke? Anwarazindaimezanguan Engjohari Abdulkit Sianglatheefalong Sikmahathathir gave money for the Covid-19 test Hanger? Akbar Ali Syed and his wife Alega Siyaj founded the Center for Zinc Control in December 2020. Control already has over 200 test sites across the country and makes us one of the largest test organizations in the country. The tests are free in advertising for the centers and on Monday companies have reported more than \$ 140 million. Covid-19 test. To finance a sumptuous lifestyle, including millions of dollars from the test areas. Syed on social media praises to have some luxury. According to the General Prosecutors of Minnesota and Washington, in line with the alleged cases in which few have deceived thousands of customers. Some customers said they had no results for Covid-19 tests, while others said they had achieved negative results via e-mail before performing the tests.your headquarters? "We were told we had to say something to the client to make him happy that he said his results were invalid even though they were never lab tested" by the company a few months before we left. The videos featured an internal release of another former garbage bag employee. Morales said those bags were full of untreated tests. Possible surgery. "It's not true, it's taking advantage of the situation. Around If a company is willing to forge files, lie, instead of saving its example - coCheely, it's playing with your life. "Syed and Siyaj were driving a \$130,000 G-Wagon Mercedes as an internal news publication covered the pair. Okay, said Syed Lisa Guerrero, a correspondent for the major publication. According to the comment, Syed replied before deletion. You couldn't observe that you couldn't observe that you couldn't observe. With all your responsibilities. Stories Published: At 6.19pm GMT on January 18, 2022 | Update: 10:51 AM. Control. Akbar Ali, businessman Syed, 35, and his wife Aleya Siyaj, 29, of St. A native of Charles, Illinois, he has been involved in many business ventures over the years, including a donut shop, wedding photography, and axis. Cavid Control Center The Cavid Control Center (CCC) is a controlled and impartial Medicare and Medicaid Services, Oregon Centers, Oregon CentersThe judiciary and several state health departments reportedly responded to many complaints from all over the country. According to the public data obtained by the Government Covid-19, an uninsured program in the Clinical Laboratory of Physicians, US Today, Medicare and Medicaid Services Center documented many "shortcomings" in the company's main laboratory. The company's investigation was only carried out with a couple's positions in social media, which was proud of their luxurious lifestyle, including Lamborghini's acquisition and residence for \$ 1.36 million. Units that have a national license to offer quick results the same day across the country. It is reported that the company is experiencing a peak, many of which are in canopy and warehouses. The Department of Health and Social Welfare conducted an investigation into several CCC test centers and "indigenous laboratories" in November and December and announced that several standards did not "meet" more than 400,000 tests. The Illinois Covid Test Explosion, which spent luxury cars and \$ 1.36 million for residences (pictured) in Charles, reported that the federal investigation was under the accusation of a 29 -year- old accused of fraudulent Aleeya Siyaj. Her husband Akbar Ali Syed, 35 years old, is a long -term entrepreneur who has been involved in several modern business projects for years, including a donut shop, wedding photo and hatch. Their latest Covid-19 testing company is now a federal investigation topic, powered by social media records that show a luxurious couple's lifestyle, including luxurious cars. In the photo: In addition to \$ 1.36 million, the Ford GT had difficulty finding quick, easy and accurate tests in the US. As the CEO and Founder of Covid Control Center Business "quickly and safely registered business to reduce the delay.Let people deal with their daily matters," said Siyaj in a statement published on the company's website on Thursday. According to USA today. When the tests gained momentum, CCC was supposedly shocked when he found holes in the company's system. Frustrated consumers complained in social media, Google and Better Business Bureau for their experiences with Sketch test beds, many of which are jumping windows in sheds, storage containers and empty shop windows. There were complaints that some people received negative test results via e-mail before the test, which has the lowest rating of Better Business Bureau clients, which is a "fraud". There were many warning signals that this company is involved in fraud related to data exploration, which pose a threat to public health. "wrote Scott F. on the BBB website on January 2, adding that the stations were" between users who collect samples. Don't have a nose. " They were cleaned or disinfected by them. "I am not sure if these samples have not been potentially contaminated crossly due to dirty test stations and mass download practices," he wrote. Complaints reach November 2021, when someone identified as Josh D. wrote that the whole process "seemed very cursory. "I just felt something wrong in the intestines," he added. "It was an office and commercial space, where there was only a cheap desk in every room. Nothing more. It was very empty. In a very strange way. It seemed out of place, because many people were coughing inside,"she added. If you don't have a covid, you'll leave until you leave. They must be closed before someone dies as a result of their failure. Bb watch out. On its website, BBB has posted a CCC warning, stating: "BBB in Chicago and northern Illinois is actively investigating this company because it has recently received numerous complaints both local and national. "The company did not respond to BBB regarding the termination of these complaints. Consumers report problems withoutResults of the study, poor customer service and personal data request (driving license, insurance, etc.). Consumers with unresolved doubts should still complain to the BBB and Attorney General Stan Ilinquus. " The Covid Control Center has more than 300 test points (in the photo) across the country that offers free quick test results. Many websites such as the photo jump windows in barns and warehouses. When the complaints were raised, the couple continued to provide great lifestyle and exclusive purchases in social media. The Tiktok Saeed account, which is reportedly deleted on Thursday, shared photos and videos of luxury cars. His nephew has a YouTube channel for a growing family car collection. 2021 August. Syed posted a pickup photo with the signature "No Hands Ma!" And he still posted information about his extravagant shopping. Later, the same month, Syed, in his account, published a film showing how Red Lamborghini is unloaded from the platform. "Countach added my collection," Syed wrote. He also announced the tag #entrepreneur. "Money from oil?" The user asked. No, he said, "Money for Covid." 2021 November The couple became \$ 1.36 million. USD house owners in St. Petersburg. Charles, Illinois. Gates, a three-car garage, round climbing, fountain, white columns, iron double doors, crystal chandeliers and curved stairs. 2021 December. The film, published on the YouTube channel, showed Ford GT 2018 "Unveiling". The same Ford GT from 2018 December 3 Was sold for \$ 985,000, based on auctions of a tour. At the end of the month, two films showed how the Ford GT was built on ul. Charles spouses. 2021 December 22 Ferrari Enzo since 2003 Was auctioned for \$ 3.7 million. USD for a natural person in Illinois in the US. Supercars.net has announced that sales have set a world record in terms of "the highest sales price on the online auction platform" and "The highest sales price at the Ferrari Enzo Auction." SY posted a photo of Red Lamborghini Countach, unloaded from the Tiktok platform, which was removed last week, and when the user commented on the question of oil, he replied: "Covid Money." He earned millionsCovid tests, photos that were shared on all social media about their purchases that started with a van last year. The company is currently being examined in November 2021 by Medicare and Medicaid Services for fraud. - Car Garage, a circular prefix fountain, white columns, double ice doors, crystal chandeliers and a few curved floating stairs had previously initiated several institutional adventures. "In 2013, Syed started a wedding photography business. And his wife was reported that he founded at least six companies. According to the USA Today, Siyaj is owner of Odduts & Cafe, which opened in 2017 and was closed in November 2020. Accord to Reports, The Axa Ax Ax Ax - Hrowning Lounge Series, which is Closed in LinkedIn, is listed as the own of the lounge Series. Daillyail.com reached Siyaj for a comment. Aleya Siyaj, who has founded six companies in the past 5 years, was viewed by AX Range in front of the building of 1.36 million US dollars in 2019, one of the many companies to mate.
