Love Ador Telma - 05/07/2022 Automatic translation View in original language Fantastic website! Quality/price

ratio is top notch! Shoes cheaper than in the store! Site fantástico! Relação qualidade/preço é top ! Sapatilhas mais baratas que na loja! our experts answer Very comfortable and cushioned when walking Sehr bequem und gedämpft beim Laufen Christina - 29/05/2022 Automatic translation View in original language I have already ordered the shoes a second time. They are very comfortable and stable. You're a bit taller and you can walk long distances without your feet hurting. Plus they look great. Ich habe mir die Schuhe bereits ein zweites Mal bestellt. Sie sind sehr bequem und stabil. Man ist ein bisschen größer und kann weite Strecken zurück legen, ohne das die Füße schmerzen. Noch dazu sehen sie super aus. our experts answer I recommend Recomendo Catarina - 31/05/2021 Automatic translation View in original language Super satisfied with my purchase! Super fast delivery. I recommend it Super satisfeita com a minha compra! Entrega super rápida. The only thing that carves large, I usually use 39 and in these I took a 38, because before I tried them in a physical store. Me encantan como quedan, van con todo y son cómodas. Lo único que tallan grande, yo suelo usar 39 y en estas cogi un 38, porque antes me las probé en una tienda física. our experts answer Vans platform vans platform carmen - 24/02/2019 Automatic translation View in original language Very comfortable My only downside is that they arrived later than what I put on the page but well, I rate it with a 4 because, although the shoes are great, the shipping was slow. Comodisimas. Mi única pega es que llegaron más tarde de lo que me ponía en la página pero bueno, lo puntúo con un 4 porque, aunque las zapatillas estén genial, el envío fue lento. our experts answer good looking shoes & quickest delivery time ever good looking shoes & quickest delivery time ever Gad Siano - 18/09/2018 Automatic translation View in original language Great product, fits well.
